FUTURY INNOVATORS ACADEMY

“War for Talents - Future Recruitment Strategy”

APPLY NOW UNTIL 07. FEBRUARY 2019!

// PROJECT DESCRIPTION

With its autonomous service offering, clear customer-centric focus and digital mission, Eurowings Digital differentiates and positions itself as an independent unit within the Eurowings Group. Therefore, Eurowings Digital has different requirements in terms of staff and recruiting. In order to fulfil the ambitious growth targets, the company needs to attract and retain up to 150 new employees within the next year(s). To reach out to future employees with entrepreneurial minds, innovative ideas and digital skills, Eurowings Digital is looking for a new “Recruiting Strategy”. We are looking for motivated talents and teams to develop this innovative recruiting strategy within the framework of the project on their own responsibility with the support of our experts and mentors.
